V. ROSE

FAITH-CENTERED R&B AND SOUL ARTIST / SONGWRITER / PRODUCER / CREATIVE DIRECTOR

Music. Purpose. V World.

V. Rose is a faith-centered R&B and soul artist whose powerhouse vocals and honest storytelling explore love, healing, identity, faith, and becoming whole. After signing her first record deal at fifteen, she began a career that has now spanned more than two decades — spanning Clear Sight Music, Inpop Records, and, since 2018, full independence.

Her song "I Surrender" (from *Forth*, 2019) went viral organically on TikTok and became the first release in her catalog to surpass one million streams. She is now preparing her fifth studio album for spring 2027, introduced by "The Way He Does," "In A Little Bit," and "Take Up Your Space Freestyle."
